

Sit on the coach of Vistadome and visit Dooars. A fancy initiative of Indian Railways.

The Vistadome coach service of the North-Frontier Railway will be launched on August 28, 2021. Tourists will be able to enjoy the feeling of the jungle while sitting on this train. Passengers will get this service from New Jalpaiguri to the New Alipurduar route. This entire route goes by train through the jungles of Dooars. So it is going to be a very great adventure for travelers.

The specialty of the Vistadome coach is that the passengers can enjoy the scenery by turning 360 degrees while sitting in this coach. The coaches are surrounded by glass and have a sophisticated seating arrangement. These coaches have been designed with passenger comfort in mind.

The train schedule and other details are given below...
